

Eureka Math: HOW WE GOT HERE

In only five years, *Eureka Math* has gone from its inception, to winning the grant to develop EngageNY math, to becoming a **top-rated** and **widely used** math curriculum nationally. Here's the story:

2007

GREAT MINDS

Group of education leaders start the nonprofit Great Minds to define and encourage content-rich comprehensive education for all American schoolchildren

2011

EUREKA MATH

Educators and mathematicians start working on early version of *Eureka Math*, including a K-12 module plan and sample modules. Math work came in response to very positive reactions by educators to our 2010 ELA Curriculum Maps

2012

engageNY

New York State awards Great Minds three contracts for EngageNY math curriculum development (PK-2, 3-5, and 6-12)

First meeting of teacher-writers and curriculum development team

Teachers and mathematicians from 26 states and DC helped Great Minds develop the initial EngageNY curriculum modules

2013

EngageNY modules released on a rolling basis

EUREKA MATH

Great Minds releases enhanced national version of EngageNY, called *Eureka Math*

equip

Achieve panel recognizes lessons from EngageNY (*Eureka Math*) for excellence

Great Minds releases Navigator and first Teach Eureka videos

2014

Final PK-12 EngageNY modules released

Louisiana and Tennessee education departments give *Eureka Math* highest rating

2015

EdReports.org gives *Eureka Math* highest ratings for alignment to new college and career-ready standards and focus, coherence, and usability

"In all, just one curriculum series stood out from the pack. *Eureka Math*..."
ED WEEK, MARCH 4, 2015

Eureka Math reaches 13 million free curriculum downloads

2016

RAND reports more than half of elementary teachers and nearly half of secondary teachers surveyed use *Eureka Math/EngageNY* — the most widely used math curriculum in the U.S.

Great Minds releases Homework Helpers for families and K-8 Spanish-language version of the curriculum

Great Minds provides training to nearly 40,000 teachers in this calendar year, up from 14,000 the year before
